Human rights and gender justice

We tackle human rights injustice

Our research and action spotlights dangers to our sustainable and equitable global future

Defending human rights

Our **European Human Rights Advocacy Centre** (EHRAC) mentors and supports human rights lawyers and NGOs

In 2020, the Centre won **30 cases** for 78 applicants, gaining a total of over €**14million in compensation**

Influence on global policy

We've shown the devastating consequences of development for indigenous people around the world

Now our analysis is being used to help safeguard their collective rights

Contribution to United Nations' State of the World's Indigenous People report and recommendations

Empowering women in the Middle East

We advance **women's leadership and representation** in business

In Dubai, we organise educational initiatives to **encourage women** to pursue **careers in STEM**

It's our commitment to **UN's Women's Empowerment Principles**

Commitment to UN Sustainable Development Goals

We have signed the **Sustainable Development Goals Accord**

We were ranked **12th in the world** for UN Sustainable Development Goal SDG 3 on **gender equality**

We work to UN Sustainable Development Goal SDG 16 Peace, Justice and Strong Institutions
