

# MIDDLESEX TOWARDS 2031

## OUR VISION:

Middlesex University: innovative and inclusive, united by a shared purpose, we will shape a better world.

## OUR MISSION:

To shape a better world through practice-led, transformative education, high-quality, impactful research and innovative engagement.

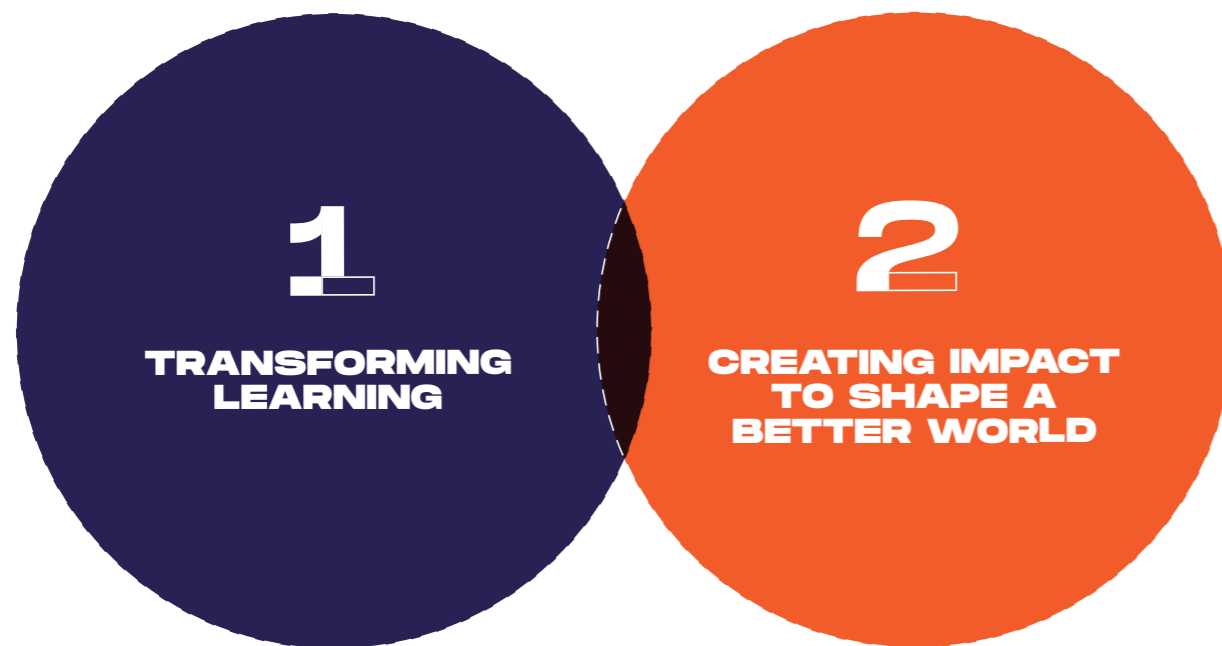

## WE LIVE BY OUR VALUES:

Our current values capture the essence of Middlesex, but we would like to refine their articulation so they are authentic, memorable and define how we will live, learn and thrive over the coming decade.

## STRATEGIC PRIORITIES

To achieve our vision by 2031 we will focus on:

## OUR MDX APPROACH TO SHAPING A BETTER WORLD

We will achieve our strategic priorities through our distinctive approach to:

## UNIVERSITY THEMES

We will focus on University Themes for which we will be internationally recognised by 2031:
