

Entrepreneurship

We inspire entrepreneurship

The creation of new business is a driving force for a brighter and more inclusive future

From starting out to success

We help our students develop the right flexible outlook for their career, including to be their own boss.

In the UK, we rank:

7th for alumni who **manage or own a business**

10th for alumni who become **CEOs**

From 121 universities studied by Hitachi Capital Finance (2021)

Making ideas into reality

Our students have an **entrepreneurial mindset** and a radical approach

We provide mentorship through our **Enterprise Development Hub** in the UK

The **Centre of Innovation and Entrepreneurship** in Dubai shapes students' ideas into business plans

New eco conscious fashion brand

Graduate Courtney Wilson has created a fashion brand **that uses textile waste** as a key material

624 STUDIOS is about doing the right thing and looking good while doing it

Courtney received support and funding from our **MDXcelerator** scheme for new business ideas

New way to prevent motorcycle injuries

Student Sonia Bisasur designs **protective equipment for motorcyclists** for their new business

The project should help to **reduce the number of serious injuries** from road accidents

It was selected among the **10 best projects** in the Development Bank of Mauritius Campus Entrepreneur Challenge
